

LOCKDOWN

PROCEDURES

KEEPING OUR STUDENTS SAFE!

At Bethany Lutheran, the safety of our students and staff is our highest priority. While situations that require a lockdown are rare, it is important for families to understand the steps we take to ensure everyone's protection. Our school follows clearly defined lockdown procedures in partnership with local law enforcement. Depending on the type of situation in or around our campus, different codes are used to guide staff and students in how to respond. Below you will find an overview of each code and what it means for our classrooms, daily activities, and pick-up/drop-off procedures.

CODE PURPLE

A potential or immediate threat is in the building.

Everyone must shelter inside a locked classroom, lights off, remain quiet, and hide until the ALL CLEAR is given.

**PICK UP AND DROP OFF
ARE CLOSED**

CODE RED

A potential or confirmed threat is outside, on school property. Everyone must shelter inside a locked classroom, lights off, remain quiet, and hide until a status update is given.

**PICK UP AND DROP OFF
TBA BY DIRECTOR**

CODE YELLOW

When police activity is in the area, or a neighboring school is on lockdown. Everyone remains inside. Indoor activities resume as normal until a status update is given.

**PICK UP AND DROP OFF
TBA BY DIRECTOR**

ALL CLEAR

We have been given clearance from the police department to resume all activities as normal.
