

TIGER CLASS

2 years old by September 30th

The Tiger Class is a two/early three-year-old class that offers a five- or three-day class option. In this class, we are learning how to be a good friend and work together to flourish through constructive play. Our friends leave school feeling good about themselves and empowered. Children do not need to be potty trained in this class. However, if you are in the process of potty-training, we'd love to work with you to accomplish this goal.

Our day begins with open centers where dramatic play is an important part of the day. Later, we will gather for "Circle Time" and participate in language enrichment activities through song, calendar, shapes, colors, counting, and story time. We end the day with classroom music and movement; then finally, settle down with "Jesus Time". Our days are full and fun in this stimulating and nurturing environment.

We also expect our Tiger friends to start learning some responsibility. It is important to send a message with our words and actions that we know they are big preschoolers, who are ready for these important tasks. This is big step to establishing a good preschool routine but still in a comfortable and loving environment. These small successes and independence will lead to happy preschool years in the future.
