

# KELLEY DURHAM

## About Me

Hello! My name is Kelley Durham, and I am from Los Angeles, CA. This is my 5th year at Bethany. My family and I are so happy that our journey has brought us to Virginia, and we are thrilled to be members of the wonderful BLPS community. I am the Assistant Director and also teach STEAM to our elementary classes. I am excited for the year ahead!

My favorite thing about teaching is helping each child to grow and succeed. Each student comes to Bethany with so much potential and eagerness to learn. I feel privileged to help foster that excitement and make their learning experience come alive.
