

# MEET THE TEACHER

## About Me

Hi, I'm Ms. Clarisa!

With over six years of babysitting experience, I believe every child deserves a classroom environment where they feel safe, supported, and excited to learn.

I'm currently pursuing my associate degree in Early Childhood Education and plan to continue my studies at George Mason University to earn my bachelor's degree.

When I'm not in the classroom, you can find me at the gym, studying on campus, or relaxing at home.
