

Meet the teacher

Mrs. Bhatia

About Me

Hi! My name is Mrs. Bhatia. I have been associated with Bethany over the last 13 years. I will be working this year as a lead teacher for the Giraffe Class (ages 3-4 years old). I enjoy every aspect of working with kids, their curiosity, their imagination, and their fun, which is unique with each child.

My goal in the classroom is to teach them while having fun and spreading love to each of them. I am excited to enjoy and nurture them, along with their families. I look forward to a wonderful school year!

FUN FACTS

- I have two daughters
- I was born in Amritsar, India
