FAREWELL REANNA

CIRCLE TIME

THE WEEKLY FOX

OH WHAT FUN!!

This was the last week of our space theme. We learned about all 8 planets and the sun, began our lesson on 10 frames, continued building words using our ladders, rehearsed for our big event next week, and so much more!

We are sad to report that the El Hage family is moving. Monday will be Reanna's last day with the Foxes. To celebrate how much we love her we will have a cupcake party on Monday.

CENTERS

This weeks centers were: Space station, rocket ship building, space ship planning, space puzzles and gears, magnets and moon sand. We did a lot of counting and using the 10 frame.

Countdown To Spring Break

This will be our last week of school before spring break. Please note, Friday is a Special Event/Early Release date. As usual, we will meet in the Chapel for a special performance before your child will be released to you. After the performance, all families are invited to join us for our BLPS easter egg hunt and pictures with the Easter Bunny. Please DO NOT pack a lunch for your child on Friday. They will only need a snack and a water bottle on this day.

School will reopen on Tuesday, April 11, 2023.

All After Care and Kid Klub programs will resume (Monday-Friday 1pm-3pm on Tuesday, April 11, 2023).

Next week.....

We will start our new theme,
SPRING!

FRIENDLY REMINDERS

We are in need of pre-filled Easter Eggs for our BLPS Easter Egg Hunt and cupcakes for our fundraiser.

On Monday, we will have a farewell cupcake party for Reanna.
