

Meet the teacher

Ms. Kelly

About Me

Hola! I'm Ms. Kelly! I was born and raised in sunny Miami, Florida, and have over seven years of experience working with children. Although I am Teacher in Bethany, I am also a Registered Behavior Technician (RBT).

I believe every child learns in their own unique way, and I love creating engaging classroom environments where curiosity, imagination, and creativity can thrive. I also believe that strong partnerships with families are an important part of a child's success, and I strive to create a classroom where parents feel just as supported and welcomed as their children.

FUN FACTS

- I enjoy Traveling a lot
- Creating Pottery
