

JENNY KUNKEL

About Me

Hi friends! My name is Miss Jenny, my husband and I are recent empty nesters after raising 4 amazing kiddos. Like many empty nesters, we decided to get a puppy and Annie is now 3 years old and keeps us busy with nonstop fetch. I've spent many years as a "professional" volunteer in my kids' school classrooms, and previously taught the Pre. K class at Bethany. I am thrilled to have the opportunity to now spend time with your children here at Bethany! In my free time I enjoy hiking, day trips, time with friends, and exploring all the opportunities available here in the northern Virginia/DC area.
